

## Board Meeting

March 19, 2025

### Update-

- 5102- has returned from paint and is being re-equipped and is now back in service
- Bridge Fire F-42 has been moved to assigned to payer (60-day window) \$53,887.70
- Palisades Fire F-42 has been moved to review status (60-day window) \$66,911.31
- We are still waiting on 2 preposition strike team invoices totaling \$90,885.30
- In total there is still a total of \$211,684.31 in payments outstanding from Cal OES
- Current cash in treasury is 139k.
- The 10 sets of structure PPE that were approved have been ordered.
- Marcos Rodriguez has applied for the Wildfire Drinking Water grant
- I applied for the Nutella 5k grant to purchase 2 new Ventis mx4, 4 gas monitoring devices for gas leaks and air monitoring.
- I applied for the MSA/Globe PPE (5 sets of Structure PPE) giveaway again this year since we were unsuccessful last year
- I applied for the Sate Farm 5 laptop give away as well. These laptops are used and come without the operating systems.
- There are still outstanding bills from USA Recovery out for collection. These total a total of \$17,571.84
- Working on getting an electrician to come out to evaluate the Fire Station to see if we have a ground problem. We continue to have high PG&E bills even though the station is most shut down all day.
- I currently am at a year into my Interim position. We have accomplished a lot, and I hope to keep the momentum going. With that being said, is there an annual review done by the board? If so what's the process?
- Looking forward we have a lot of training to do to get all these new volunteers up to a minimum standard. They are heading down to Colusa FD this weekend for a Confidence course all day training.
- I have had some preliminary conversations with the US Postal office over their poor accommodation. I have offered the ability to utilize our station. They are also talking with the county about utilizing the community hall.
- 

### Action Items-

- Moving the old 5102 and the water buffalo to excess status to be sold
- Purchase of a new ice machine
